

Newsletter #50

September 2018

Greetings this I hope will be the reintroduction of a regular newsletter updating members on important items.

We need to set a gmail account up so you can communicate with our new treasurer. In the meantime please access the revised membership form with new fees, pay your new fees into the bank account number given and until gmail account is available please download the membership application form and fill it in fully and deposit in the transparent sleeve on notice board.

Our neighbour the North Shore Event Centre is about to set out barriers across the carpark which will stop any through traffic. So you will only be able to enter and leave by the Argus Place entry unless you don't mind walking from NSEC to Shore club.

A shooting programme has been developed up to November and will be expanded to include the whole summer season this has been posted on the Shore website and a paper copy is on the club notice board.

The ground is still very wet and unless it stays dry for a week or more we will not be able to mow the grass without the mower bogging down.

Come 20th October the hibernating coaches will be restarting classes Saturday morning so unless it is fine weather and you can shoot outside do not interrupt the coaching, especially if they are indoors. I am also about to start several new pupils of an evening so when I have arranged my groups I will advise via Newsletter when it will be and as with other coaches if weather bad you will not be able to practice indoors.

One of our new junior members left a pair of brand new gumboots in the clubroom. They have disappeared. Can you look to see if you have mistaken them for yours. He is a big lad so it could have been one of the adults and not necessarily a junior.

Thinking ahead can everyone investigate possible venues for indoors for next winter and report any possibilities to committee. Just ask about hiring availability between 7/7.30 and 9/9.30 between dates where the clocks are changed and do not initially mention archery.

- Dennis
Club President

Upcoming Events

For all information of club shoots and further details on other shoots

- please refer website -
www.shorearchery.co.nz

Clubshoots found under Shoot Timetable page and then follow the link.

16 Sept – ADAA 600 @ Auckland Archery

7 October – Shore Opening Day

14 October – Auckland Opening Day

28 October – Mt Green Opening Day

Just for fun -

Q: What do real archers say to compound archers?

A: "I see you still have your training wheels on your bow."
